

How To Complete Verification

If there is additional information needed to make sure your FAFSA is accurate, you may be selected for verification. You should receive an email in your Wiregrass student email to let you know if there is something you need to fill out or submit.

1. Go to wiregrass.studentforms.com.
2. Log in with your school credentials (student email and password).
 - If you have never been on this site before, you will need to register by entering your date of birth, social security number, and phone number.
3. Click the box under “Needs Action” and the dropdown arrow on the left side of the grey box.
4. If there is a form you need to complete, click **Fill out** on the right side.
 - You will need to provide an e-signature.
 - If it is your first time in the portal, click the blue link to create E-pin for e-signature.
 - If you have previously created an e-pin and cannot remember, click the blue link to reset it.
5. If you need to upload documentation, click **Upload** on the right side.
 - Select the file on your computer, click Use, and select if you want to add another page.
6. Click **Submit** and **Finish**.
7. Monitor your student email for updates. If additional information is required, please log back into wiregrass.studentforms.com to see any notes.
